BÙI NGUYỄN QUỐC ANH

FRONT-END DEVELOPER

ABOUT ME

I just finished the web responsive course at CFD Circle, and really want to become a professional web developer. I love creating beautiful websites with great user experiences. I'm ready to collaborate with new opportunities and challenges.

EXPERIENCES

FRONT-END DEVELOPER

1/2024 - 01/2024 | GBOX STUDIOS, FURNITOWN

- I build 2 real projects from the CFD Circle web course.
- convert photoshop file to website template.
